BRIGHTER CHILDREN

Children are probably brighter to-day than a generation ago-but are they stronger? That's a grave question. So many pinched faces, dulled eyes and languid feelings make us wonder if they will ever grow into robust, healthy men and women.

SUPERIOR COURT GIVES SENTENCES

One To Three Years In State Prison For Thomas Logis-Six Months In Jail For Amos R. Park-Sentence Suspended In Case of Chicken Thief Who is Put on Probation-Auto Drivers Accused of Manslaughter Plead Not Guilty.

When the criminal superior court came in here at 10.20 on Thursday morning, the first matter called up by State Attorney Hull was a motion for sentence in the case of Thomas Logis of Norwich Town, who on Wednesday was found guilty of assault with intent to kill William Gitchier at Norwich Town on Nov. 20 last.

Attorney Edward T. Burke made a plea before Judge William L. Bennett for leniency in the sentence that was to be given. The accused, he argued, had shot Gitchier in self defense as he supposed he had a right to do. The man had been a faithful worker for nine years in a mill and supports a wife and three children in Austria.

State Attorney Hull said that as the accused shot a man in the back as the man was running away he could see no reason why clemency should be shown.

Judge Bennett stated in pronouncing sentence that the court did not care to listen to pleas for leniency when pistols were used. He would be glad to send the man to jail, but he thought the using of a pistol was such a serious offense that this ought not to be the penalty. He thought the accused had been dealt leniently with when the jury found him guilty of assault with intent to kill and not kill and murder as charged against him in the trial.

opening up for a while the clogged head, throat and nostrils. In a little time the catarrh comes back as bad as ever.

People who suffer continually from catarrh should drop such temporary makeshifts and get something that really gets at the root of the disease and stamps it out. There is nothing bettor for such cases than breathing into your nose and lungs the pleasant, soothing, healing, germ destroying air of Hyomei (pronounced High-o-me), made from purest oil of Bucalyptus and combined with other powerful healing, antiseptic and germ destroying ingredients. Hyomei penetrates and heals the inflamed, swollen membranes of your nose and throat, stops discharges, clears the passages and completely overcomes the disease by destroying its cause. For catarrh germs cannot live in your body after Hyomei reaches them. Lee & Osgood and many other good druggists in Norwich and wicinity have long sold Hyomei on a positive guarantee of successful results or money back and find this generous policy pays. Most druggists are now giving a pocket inhaler made from hard rubber with every complete treatment sold. This makes a very simple, easy and convenient as well as a thoroughly reliable means of treating by the best known method this dangerous and often disgusting disease. Six Months in Jail.

DANGEROUS VARICOSE VEINS CAN BE REDUCED

If you or any relative or friend is worried because of varicose veins, or bunches, the best advice that anyone in this world can give is to get a prescription that many physicians are now prescribing.

Ask your druggist for an original two-ounce bottle of Emerald Oil (full strength) and apply night and morning to the swollen, enlarged veins. Soon you will notice that they are growing smaller and the treatment should be continued until the veins are of normal size. So penetrating and powerful is Emerald Oil that it dissolves goitre and wens and causes them to disappear.
